Dear Parents,

We hope you have had a lovely week. As always, our school has been full of energy and enthusiasm. Please take a moment to enjoy this week's news and notices.

Blazepods

The School Sports Partnership (SSP) recently visited our school to trial an exciting new activity called Blazepods with our pupils. Blazepods is an interactive, light-based activity that challenges children to move quickly, think fast and work on their agility, reaction time and coordination in a fun and engaging way. The children thoroughly enjoyed taking part and were fully involved throughout the session. One pupil said, "It was really fun because it made you run and think at the same time – I didn't even realise how much exercise I was doing!" We would like to thank SSP for bringing this fantastic new activity into school.

Science

In Science this week, Year 2 have started their new science topic - Plants. They started off their topic by comparing bulbs and seeds. They then looked at how a bulb or a seed grows into a plant. They are very excited for the coming weeks when they will be planting their own seeds and bulbs!

EYFS

We're delighted to share photos of our EYFS garden, where the children are making wonderful use of the new areas developed through our recent funding. They thoroughly enjoy having extended time each afternoon to explore the outdoor provision, engage in imaginative play, and develop their learning through hands-on experiences. It's been lovely to see their enthusiasm and curiosity flourish in this enriched outdoor environment.

Football A Team

The boys showed great determination and teamwork in an exciting match against St Joseph's. After a strong start from the opposition goalkeeper, the team stayed focused and were rewarded with the opening goal. Their communication, passing and support for one another were excellent throughout. Even after conceding goals, the boys remained positive and encouraged each other, showing real resilience. They represented the school brilliantly with their respectful attitude on and off the pitch, finishing with a well-deserved **9-3 victory**.

Goal scorers: Seb (4), Oliver A (2), Oliver S (1), Charlie (1), Marty (1 penalty).

We hope you have a lovely weekend, we return to school on Tuesday 5th May.

Mrs Black

Important dates

Summer 1	
Monday 4 th May 2026	Closed May Bank Holiday – return Tuesday 5 th May
Monday 11 th – 14 th May 2026	Y6 SATs Week
